

**DECISION OF THE GOVERNMENT OF THE RUSSIAN FEDERATION NO. 98 OF FEBRUARY 12,  
2003 ON PROVIDING ACCESS TO INFORMATION ON THE ACTIVITY OF THE GOVERNMENT OF  
THE RUSSIAN FEDERATION AND FEDERAL EXECUTIVE AUTHORITIES**

With the objective to ensure the implementation of the rights of citizens and organizations to access to information on the activity of the Government of the Russian Federation and federal executive authorities and in compliance with the federal law On Information, Informatization and Protection of Information, the Government of the Russian Federation hereby resolves as follows:

1. To endorse a list of data attached hereto on the activity of the Government of the Russian Federation and federal executive authorities to be made available in information systems of public use.

2. The federal executive authorities shall be required:

- to provide access to citizens and organizations to information on the activity of federal executive authorities, except for data classified as information of limited access, by creating information resources as provided in the list endorsed hereunder;

- to make the said information resources available in a timely and regular fashion in information systems of public use, including on the Internet;

- to keep citizens and organizations regularly informed of activities of federal executive authorities by using other means as may be envisaged under the legislation of the Russian Federation.

3. To charge the Staff of the Government of the Russian Federation with the obligation to ensure the implementation of activities specified under Item 2 of this decision associated with the access to information on the activity of the Government of the Russian Federation.

4. To rule that the funding of activities specified hereunder shall be carried out by using the funds of the federal budget set aside for the current maintenance of federal executive authorities, the funds of the federal budget under Item of expenses "Informatics (information supply)" and the funds of federal directed programme "Electronic Russia (for 2002-2010)" approved by Decision of the Government of the Russian Federation No. 65 of January 28, 2002 (Sobranie Zakonodatelstva Rossiiskoy Federatsii, 2002, No. 5, Item 531).

5. The Ministry of Economic Development and Trade of the Russian Federation, the Ministry of Communication and Informatization of the Russian Federation, the Ministry for Publishing, Television - Radio Broadcasting and Media of Mass Communication of the Russian Federation, the Federal Agency of Governmental Communication and Information under the President of the Russian Federation shall, jointly with the Staff of the Government of the Russian Federation, prior to November 1, 2003, submit to the Government of the Russian Federation a report on the progress of implementation of this decision.

6. To recommend that the federal executive authorities of the Subjects of the Russian Federation and bodies of local self-administration take measures to ensure the access of citizens and organizations to information on their activity that is relevant to this decision.

7. This decision shall take effect upon the expiry of 3 (three) months as from its official publication.

Chairman of the Government  
of the Russian Federation

M. Kasyanov

**List of Data on the Activity of the Government of the Russian Federation and Federal Executive  
Authorities to Be Made Available in Information Systems of Public Use**

**I. Data on activities of the Government of the Russian Federation**

1. The federal laws, decrees of the President of the Russian Federation and other regulatory acts constituting the legal framework of the activity of the Government of the Russian Federation, including:

Rules of Procedure of the Government of the Russian Federation;
