

## DECISION

November 18, 2010

№ 452

Sankt – Petersburg

### **On the Strategies of development of unified system of technical regulation, application of sanitary, veterinary and phytosanitary measures in 2011-2015**

The Customs Union Commission decided:

1. Take note of the Coordinating Committee on technical regulation, the application of sanitary and veterinary and phytosanitary measures (hereinafter - the Coordinating Committee) about developing a draft Strategy for development of unified system of technical regulation, application of sanitary, veterinary and phytosanitary measures for 2011-2015 (hereinafter - the Strategy).

2. In order to finalize the draft strategy - to establish a temporary working group with the period of its work for one week during the second half of January 2011, appointed head of the national parts category:

from the Republic of Belarus - Chief of the State Standard Committee of the Republic of Belarus - Koreshkov Valery;

from the Republic of Kazakhstan - Chairman of the Committee for Technical Regulation and Metrology of the Ministry of Industry and Trade of the Republic of Kazakhstan - Muhambetov Gabit;

from the Russian Federation - Deputy Minister of Industry and Trade of the Russian Federation Salamatov Vladimir;

To request the Parties to submit up to 15 December 2010 to the Secretariat of the Commission the list of experts in the field of technical regulation, application of sanitary, veterinary and phytosanitary measures, as well as professionals involved in the negotiations of the Parties to join the World Trade Organization, in order to be included in the specified group.

3. Coordinating Committee to ensure the finalization of the draft Strategy and make it to the February meeting of the Customs Union Commission.

The Commissioners of Customs Union:
